March 23, 2006 -- **STING** is one kinky customer. The randy rocker - who is trying to open his own strip club and has nattered on about his love for tantric sex with wife **Trudi Styler** - has asked about setting up a fantasy sex party with notorious orgy organizer **Palagia**, according to Palagia's rep. Lately, "whenever Sting is in New York, he has looked into checking out one of Palagia's sexy Eat In parties," the rep said. "Unfortunately, there has not been one on the weekends he is here. He has been interested in attending the sexy X-rated soirees for months, even asking Palagia herself to throw a special one for him and Trudi to fit their busy schedule." Palagia's Eat In parties are for "couples and single females that are carefully selected by Palagia herself," according to Web site onelegupnyc.com. At the parties that "take place in private lofts/suites around Lower Manhattan, couples are strongly encouraged to explore their fantasies." A rep for Sting said: "This is so absurd I can't even comment. Sting is in the studio working on a record."
